Partner Worksheet[1]

Project name	
Primary contact name	
Primary contact email	
Primary contact phone number	

---

[1] This document displays the content that appears on the NSF INCLUDES Coordination Hub's Partner Worksheet. The actual Excel template is formatted in a manner that facilitates the collection of partner data. Note that additional fields may be added as we work with members of the Shared Measures Workgroup to determine the value of collecting other information about their project partners.

Please list each organization that has served as a partner on your project

Organization name	Department *(if applicable)*	Organization type *(Use <u>one</u> code below for <u>each</u> organization*	Zip code

Organization type

1=Community-Based Organization/Foundation/Other Non-Profit
